

4 DAY NAVIGATION RETREAT

Learn to navigate with Caro Ryan, author of 'How to Navigate' from LotsaFreshAir

Who is this course for?

Designed for bushwalkers, hikers, canyoneers or trailrunners, with little or no experience; or those who need to brush up on their map, compass and navigation skills.

What will I learn?

Over 4 days we'll cover map reading and interpretation, contours, gridlines, reading the land, using a compass, time and distance, route planning and learning to walk with the land. We'll also look at apps and digital navigation and more advanced techniques like triangulation.

What's Included?

- All meals and snacks
- Accommodation (6 options)
- Course tuition
- Two qualified guides
- Group first aid kit
- Topographic Map (to keep)
- Compass (to keep)
- Copy of Caro's book *How to Navigate* (to keep)
- A few surprise extras
- Group first aid kit
- Max group size 12
